Dear Parent's,

After much consideration, the decision has been made to begin Sunday school on Sunday, September 13<sup>th</sup>. As excited as we all are about getting back to normal, there are a few guidelines that we must abide by. FBC will be following the guidelines set forth by the State of Ga. Executive orders, CDC, and Georgia Baptist Mission Board.

We will have staff and volunteers to come in for training on the new guidelines before we open on September 13<sup>th</sup>. It will take a couple weeks to get use to the new guidelines and to get the process working as smooth as possible. Please be patient with us as we are all in a learning process.

Attached to this letter is a copy of the guidelines we will be implementing. Please understand that FBC will reevaluate safety policies as things change due to COVID-19.

I am personally going to reach out to each of you regarding your child's new classroom for September 13<sup>th</sup>. Promotion Sunday would have been Sunday, June 7<sup>th</sup>. We are scheduled to come back when the new church year has already begun.

Please feel free to contact myself or Russ Jenkins if you have any questions or concerns.

Sincerely,

Jennifer C. Zeager
