## baptism sunday

JUNE 6 | 6:30P

Join us on June 6 at 6:30p for a Baptism worship service!

Hey Church Family,

I hope you had the opportunity to participate in our “Moving Forward” Sunday and enjoy the lunch prepared and served in the area of the future youth and young adult building. As the weather warms up, the school year ends, and we enter into the summer months we are reminded of that generation of younger folk that will mature into young adults and will be the next generation. This is the group that we are preparing for in the “Generations Following” that one day will be young adults and if not already will be led to be a disciple of Christ and continue the missions that God has laid out for our church. We look forward to the day that the fellowship we enjoyed on “Moving Forward” Sunday be inside the building that God will provide. We are currently working with Generis, the team that helped us develop our campaign, to evaluate our position in the program relative to our goal and to determine the best path forward based on current conditions. We will continue to share updates on the team’s progress as we continue to move forward. Please stay diligent in prayer and commitment to the “Generations Following” mission.

God Bless,  
Steven
