## Generations Following Update

With Summer upon us, I'm reminded of how seasons can be so different from one to the other. From Ecclesiastes 3:1, "For everything there is a season, a time for every activity under heaven." As life continues to return to "normal", I'm even more thankful for our church staff and members that adapted to ensure God's message and sermons were available in different formats for all to hear. I'm thankful for each of you and for your continued giving to the Generations Following campaign.

Please continue to pray about the opportunities God has in store for us. Also, specifically pray for the committee members as they make decisions regarding the building and timelines. With building costs rising, we want to make sound financial decisions with our Generations Following campaign and be good stewards of the money given. We are still working with Generis, our campaign consulting firm, for guidance going forward. I'm very excited about what God has in store for our church and community!

Many blessings,  
Kim Wall

## Pastor Search Team Update

Our team continues to prayerfully evaluate the candidates that God has lead us to consider. Since our last update, we have reviewed and discussed the completed questionnaires sent to each of our final candidates. We have also met with each member of our current staff to get their input on the process so far, and to give them an opportunity to express any concerns or frustrations. We are now in the process of doing personal interviews. As a team, we continue to believe that God is leading us to the man that he has already selected. We ask our Church family to continue to pray that we will find God's Will for our church.
