MISSION FOCUS

BENJAMIN BREEG
Central Asian Peoples

As representatives of the IMB, Benjamin Breeg and his family focus exclusively on reaching academics and religious leaders in Central Asia for Christ. Those they try to reach are some of the smartest people yet also the most hostile toward the gospel. The Breegs do ministry as a family because sharing Christ together is a powerful way to model God's love. The people where they live place a high value on family and children. Seeing the Breegs as a family gives their friends the freedom to talk about more than just an academic lecture they attended together—it creates a platform to meet their families, have meals together, and fellowship in homes.

PRAY God would continue to soften the hearts of those hostile toward the gospel as the Breeg family ministers to them.

SERMON NOTES

FROM ME TO WE:

Sin Stands No Chance When We Are Together

What should we do with one another's ____ struggle?

Galatians 6:1-5

¹Brothers, if anyone is caught in any transgression, you who are spiritual should restore him in a spirit of gentleness. Keep watch on yourself, lest you too be tempted. ²Bear one another's burdens, and so fulfill the law of Christ. ³For if anyone thinks he is something, when he is nothing, he deceives himself. ⁴But let each one test his own work, and then his reason to boast will be in himself alone and not in his neighbor. ⁵For each will have to bear his own load.

"Sin is like a growing _____ that ensnares us."

MAIN POINT 1:

MAIN POINT 2:
