MISSION FOCUS

Trevor & Olivia Doles
Miami, FL

God first called Trevor and his family to Miami, Florida, when he saw the city’s spiritual needs after a missions trip there. Miami is a diverse, global city with unique challenges, including a high percentage of unchurched residents and a multitude of languages spoken. Faith Church meets at a local YMCA. Often, people will come to the YMCA to exercise and stay to learn more about the church. The YMCA has even asked the church to host events, helping church members engage the community further. Trevor loves to see people come to faith in Jesus. Many are becoming believers after being hurt in other church contexts and having been out of church for years. They struggle with intense feelings of guilt. Trevor points to one woman who recently came to faith in Christ after discovering Jesus would forgive all her sins, a truth she struggled to believe before hearing and responding to the gospel.
