MISSION FOCUS

Jordan & Jessamy Adams
 Lafayette, Indiana

According to NAMB missionary Jordan Adams, college campuses are the perfect places to plant churches. "Students here live this incredibly interconnected way of life. So when you introduce one of them to Jesus, multiple students hear about it, and the gospel spreads like crazy." For Jordan and his wife, Jessamy, Purdue University in West Lafayette, Indiana, is the latest stop on a decade-long collegiate church-planting journey. "We became part of a local church's college ministry called The Salt Company, and when we saw students there worshipping and sharing the gospel and being sent out, we really latched on to their dream of 'What if this could happen everywhere?'" In 2023, Jordan, Jessamy, and a team of nearly 50 people moved to West Lafayette to plant a church—the Chapel—and a Salt Company collegiate ministry. "All these people moved here with us, and when we started meeting students, we found out they were radically open to the gospel." The Chapel baptized 81 people in its first year.

NOTES

FBC WAYS TO WIN: SCRIPTURE

We win as a church when everyone joins in on our scripture memory journey by memorizing our monthly passage. Pray this week for a longing to know and memorize God's Word.

We were buried therefore with him by baptism into death, in order that, just as Christ was raised from the dead by the glory of the Father, we too might walk in newness of life. For if we have been united with him in a death like his, we shall certainly be united with him in a resurrection like his.
